

All feedback received regarding the following proposals for 2018 was positive, so the following points are now ratified:

- **Junior Finals Day:** held the weekend before teams go to Junior Secondary School Premierships (August 25) All Grades U17 and younger, including All Stars.
- **BU13 Grade:** adding this grade due to the amount of requests from interested players in a competition for this age group. Shorter than adult, but longer than All Stars (June 9 – 25 August will have 10 rounds including finals).
- **GU15 Grade:** added for similar reasoning to the BU13 grade, and using same timeline. Current issue – need for Sunday courts in interim (before four courts at Celebration Stadium are ready).
- **Alter All Star levels:** remove Y7/8 Boys and Girls (now catered by BU13 and GU15, split Y5/6 Boys into Y5 and Y6 competitions. Keep girls as Y5/6 until clubs demonstrate increased number of trialists would benefit from grades splitting).
- **All Stars play two games each Sunday:** multiple coaching sessions no longer needed due to the increase in ability of coaches here. Would mean opening round of this competition happens after two weeks back at school following July Holidays (5 August), and finals take place on Junior Finals Day (25 August)

Draft Junior Finals Day Schedule (could shift Premier games to another venue if preferred, then start JFD later):
