Estimate – Canterbury Basketball Association Winter Club 2019 Court Hire Fees

Please find below an estimate for court hire costs associated with our 2019 Winter Club Competition. These will be finalised once team entry numbers are confirmed, and a reduction will be calculated if team entries are uneven, or considerably more teams enter a particular grade than estimated.

I have also listed the number of regular weeks of play in each competition (when every team entered will play, except if an uneven number of teams enter, in which case a bye will be built into the format). All grades will have two playoff weeks as well, where up to four teams will play an extra round, and the final two teams will play in their grade championship (see your grade's specific format after all entries and sub-grades are finalised for exact mechanism for your team). Note – in our Midweek competitions all teams play all 18 weeks (excepting byes).
