Dear Paul

## **Re: Election of Board Members**

With enthusiasm I submit my name as a candidate in the forthcoming election of two Board Members for the CBA Board at the AGM on 26<sup>th</sup> March.

My experience and capabilities from being on previous Boards and Community/Sporting Groups and working in the property industry are a complimentary match for being a strategic and innovative governance leader on a sporting board.

My past and current experience in governance include –

- Board Member of West Melton School Board of Trustees (including 1 term as deputy chair)– I was elected to this Board in 2016 and during this time we have delivered the successful projects of building a new \$4.5 million double storey classroom block. We have also overseen a change in delivery of the curriculum including PD for teachers and communication with local community.
- Board Member of College Rifles Sports Club in Auckland – during my 6-year term we delivered the successful projects of building the first fully artificial rugby grounds in NZ and a fully covered indoor netball court, along with implementing administrative restructure to 3 full time staff.
- Games Officials Committee Member for both Christchurch (3 years) and Auckland Netball (4 years)– being a part of a team that strives to ensure umpires are at the forefront of the game and ensure that they have the tools and mental skills to compliment the game.
- Executive Member of the New Zealand Institute of Surveyors Christchurch Branch – I was involved on this committee for 4 years, and during that time the Survey profession went through massive legislative changes to cadastral surveying post the Christchurch earthquakes.

My professional career includes being a Registered Land Surveyor and Civil Design Engineer, and I have grown and developed my skills to be highly successful at delivering successful solutions and projects for clients also to build and maintain quality relationships with open and honest communication.

Personally, I reside in West Melton with my wife and 2 children. We are a sporting family and believe strongly in giving back. My eldest son is in Year 5 and my youngest son is in Year 3 at West Melton School. They both participate in the new programs provided by Selwyn Hawks and previously attended the Wharenui Gators sessions. My wife was a representative basketballer in her younger years but now plays Premier Netball and is on the committee for West Melton Netball. Currently I am a NZ qualified netball umpire and officiate at Premier level for both the Selwyn and Christchurch netball competitions, along with coaching upcoming umpires in Canterbury. However, I can certainly see this changing over to basketball in the very near future as my boy's progress through the grades. I already referee their soccer and touch.

I feel passionate about the success of sport and the important place it has within all communities. I have a proven track record of responsibility, integrity and commitment to anything I am a part of.

Please feel free to contact me if you require any further details from me. Or if you wish to ask others about me, please feel free to contact the following referees -

- Sara Paris – General Manager Human Resources at McConnell Dowell and Chairperson of West Melton School Board of Trustees – [sara.paris@mcdgroup.com](mailto:sara.paris@mcdgroup.com) 027 564 5352
- Jarrod Bear – Chief Executive Officer of Auckland Rugby – [jarrod.bear@aucklandrugby.co.nz](mailto:jarrod.bear@aucklandrugby.co.nz) 027 687 2457

I am confident my combination of drive and experience will provide the Board with an invaluable resource. And to be part of the team making Canterbury Basketball a fantastic sporting association and it would be an honour and a very exciting challenge.

Yours sincerely

*Lyndon Endicott-Davies*
